

## **Temple Spa will be at the Nationals 2008!**

Temple Spa is professional spa treatments, body and skin care products inspired by the Mediterranean lifestyle and wellbeing.

For both men and women, the products aim to make looking after yourself that little bit more enjoyable and pleasurable.

**\*\*\* Drop in for a complimentary hand massage or facial in the Pimms tent between the following times over the weekend (or find me and book a session in for another time) :**

Saturday : 1pm – 3pm  
Sunday: 10am – 12pm

On request, I can also give aching muscles a quick rub down with our specially formulated soothing product “Aaahhh”...!

All our products are synonymous with serious results, self-pampering and wellbeing. As good for your soul as your skin, they help with daily rituals of calm repose, energy and balance. Our range is simple, clean and makes sense – every product has a unique stand-alone purpose. Natural ingredients, phytotherapy, aromatherapy, essential oils, reduced chemicals and no animal derivatives. Anti-ageing formulas, textures like cashmere, feel-good-factor aromas and names to make you smile. Its total logic.

You can also buy any of the products you see and like, I will be your personal shopper.
