

## Best Veteran Horse

Hi Everyone

In honour of Flecha Peron who sadly passed away last year we are providing a trophy to be presented annually to the best veteran horse to play during the season.

Flecha was a wonderful horse who helped many people enjoy polocrosse from A grade down to Juniors.

The horses will be judged throughout the season by an anonymous panel of three UKPA members.

To be eligible to be considered horses must be over 16 years of age and have played in at least three tournaments throughout the season.

You may be asked to provide proof of age.

If you have a horse you would like to be considered for this award please let me have details of the horse by Wednesday 25th June to include:

Name of horse:

Year of foaling:

Name of owner:

Name of rider:

Tournaments to be attended:

Please send details to Christine Stansfield, Thirkleby Manor, Kirby Grindalythe, Malton, YO17 8DF

Best wishes,

Christine
